

# Regional Assembly Kids!

Oregon & SW Idaho 2022

## Nursery Care

Infant to Kindergarten

## Children's Ministry Program

K–5th grade

Morning session optional for preschool age 3+

### *Dear Grown Ups,*

We are excited to host the 2022 Regional Assembly for the whole Regional Church! That means that our young people present for the day will have an experience of church as well as the adults. The children's ministry program will include worship, music, crafts, service, and play. We'll also engage the Road to Emmaus story connected to the Assembly theme.

### *Important things to note:*

- **FORM:** Please complete a Child Form for each family (separate from registration). Thank you!
- **Lunch:** All children will be **checked out for the lunch hour** with their grown-ups to allow a break and transition for our adult leaders. A boxed lunch is provided for registered K-5 kids. Otherwise, please bring what your child(ren) will need for nourishment!
- **Nursery:** Bring any food, milk, diapers, etc. needed for your child. If your child is napping during the lunch hour, you are welcome to bring your boxed lunch to the nursery — to supervise your child while nursery staff take a break; the expectation is that you hold quiet space for napping children and mask when not eating.
- **Preschool:** Preschool children age 3+ have the option to participate in the morning children's program and then spend the afternoon in the nursery. If you have special items for nap time, you are welcome to bring those to have your child feel more comfortable.
- **K-5th Grade:** Afternoon program will include some outdoor play on blacktop, still on the church property.
