

Regional Assembly Mission Project

Regional Assembly -Wellness Kits for Houseless Students & Food Pantry Clients

*Note: We are calling them **Wellness Kits** instead of “Hygiene” Kits because “wellness” does not have the same implications of dirtiness.*

We have asked each district to concentrate on one or two items. Our overall goal is to provide 450 complete kits. Each congregation will take home 10 complete kits for food pantries and houseless students in their local schools.

Each District will bring 459 of their assigned items to Regional Assembly and together we will create 450 kits.

Blue Mountain District
Wide-tooth comb

Columbia Gorge District
Full-size bar of soap
Small hand towels
Deodorant

Santiam District
