

Personnel Commission/Moderator Elect 02/2022 Report

The Personnel Commission has sent out the Regional Ministers' Evaluations for 2021-2022. Some have been returned, and I am waiting for the others. Will follow up if they are not received in time for the Board Meeting. I will also provide an additional report, with copies included after having reviewed the combined evaluation reports with/by Cathy and Doug.

Update 01/24/2022

There have been approximately $\frac{1}{2}$ to $\frac{3}{4}$ of the evaluations returned. It will be after the February Board Meeting that I am going to be able to send these to Doug & Cathy for a formal review with them.

Update 02/05/2022

I met with Doug and Cathy individually via Zoom and we discussed the roughly 50% of the returned evaluation.

Thank you,

Pam Knight

Moderator Elect/Personnel Commission Chair
