#### *I have engaged in the following work in my communications role:*

- ◆ Publicized, set up and tracked Minister's Boundary Training
- ◆ Ran technology for several regional meetings including an Antiracism training, a Stewardship webinar and the online Women's Event.
- ◆ Ran technology for Camp in a Box as well as took care of registrations and communications with camp staff.
- ◆ Created an online store for the Fair Trade Sale.
- ◆ Edited the Reconciliation offering invitational materials to include events and emphasis in Oregon and SW Idaho.
- ◆ Created a group messaging account with Flocknote for quick communication with the Regional Board.
- ◆ Updated templates for Facebook, the Common Current and the website.
- ◆ Laid the foundation for marketing FEDICE USA.

#### *In have engaged in the following work in my camping ministries role:*

- ◆ Worked with the directors of three camps for kids on 3rd-12th grades to create Camp in a Box. A total of 32 youth attended. 15 adults volunteered.
- ◆ Created themes and chose scriptures for each day around the broader theme "Love is Greater than Fear" for each camp that the director's used as a jumping off point.
- ◆ Visited with Jane Petke at Suttle Lake about summer 2021. Little is known at this time, other than their desire to continue a relationship with us. They are working to understand and implement new policies as we understand new information
