**At this time we have 6 monthly donors.  
Their monthly gifts range from \$10—\$100 per month.**

**5 of our 6 monthly donors are Regional Board Members.**

**Our Goal for 2023 is \$20,000  
We have received \$370 in January  
which represents the gifts of our six monthly donors**

**Our current hope is to increase monthly donors  
to a level of \$500 per month.  
This would mean we would need \$130 more per month in  
regular donations — seems an attainable goal.**

**The annual fund 2023 invitation will be prepared in June by  
Cathy and will launch in July after her retirement.  
The amount of funds received before the launch will  
encourage others to be generous.**
