

Please Bring or Send Items for Local Project

Each time we gather for Regional Assembly, we hope to support outreach beyond ourselves.

May 20-21 for our Salem Regional Assembly we are asking participants to bring or send items on this list before the assembly or, at latest, by Friday night or Saturday morning before the worship time. Hygiene kits will be built during workshop time by youth present and others interested. Kits will be used by multiple agencies, including Church World Service.

We need these items, please do not send/bring other items:

- ◆ Hand towels approximately 15" x 28" to 16 " x 32" (no bath/dish/microfiber towels)
- ◆ Washcloths
- ◆ Wide-tooth combs (no pocket combs)
- ◆ Fingernail or toenail clippers
- ◆ Bath size bars of soap in original packaging
- ◆ Toothbrushes in original packaging
- ◆ Standard size Band-Aids
- ◆ Gallon size zip lock bags

Toothpaste and other perishable items will be added to the kits closer to the time of distribution.

*If sending items by mail or
having them delivered from a vendor, send to
First Christian Church, 685 Marion NE, Salem, OR 97301*
